Artwork Guideline

- Art must be created from watercolor and other water media on paper or Yupo.
- Minimum framed art dimensions of 18 inches in any direction. No maximum size-Sandler prefers our larger works.
- A maximum of 2 pieces of art can be submitted (unless more is needed at later date to fill the show). There is no limitation on when the art was created-so new or old work is fine.
- Mixed media work must be primarily of watercolor media. Collage work will be accepted if pieces are securely adhered and created with water media by the artist.
- The following works are excluded from submission: works on canvas, digital pieces or works with digital printed material attached, computer generated art or Giclee prints.

- All work must be framed using white or off-white mats in a professional manner.
- Work must be ready for hanging with a hanging device in place.
- No sawtooth hangers or glass clip frames will be accepted.
- Work larger than 24x30 must be under plexiglass.
